*Three  
Speech*

1. (Unclassified - JSW) General Cabell called indicating he was recommending the Director meet with the Republican group from the 86th Congress. General Cabell suggested that we ought to consider some Democratic group as a counterbalance, cautioning that we should clear it with the Director first. I agreed probably this was desirable and would look into the matter.

2. (Secret - JSW) Following a visit with Senator Thomas H. Kuchel (R., Calif.) on 19 May, there was forwarded to him the following material:

Summary Presentation of The Mutual Security Program  
Speech by General Cabell before American Legion  
Committee print of DDCI's appearance before Senate  
Internal Security Subcommittee  
Committee print of DCI's appearance before Joint Economic  
Committee  
Summary of Sino-Soviet Bloc's Economic Drive (SECRET)  
Study concerning "Ideological Determinants of Soviet  
Trade" (CONFIDENTIAL)  
Several speeches by Department of Defense officials  
relating to Soviet strength  
Thermofax of articles by Hanson W. Baldwin and  
Raymond L. Garthoff  
Nine (9) thermofax articles by Hanson W. Baldwin  
One book from CIA Library, "The Great Arms Race" by  
Hanson W. Baldwin  
Seven-page "Introduction" from SR Division.

3. (Confidential - GLC)  OSI, called to say that the OSI people would be available to brief the two space committees on the recent Soviet satellite around the middle of next week. ✓
